Notice No. 11-28

Date: August 31, 2011

Demolition of the State Route 88 Bridge over Ten Mile Creek, main channel, Mile 0.6

1. **To All Whom It May Concern:** Notice is given that Clearwater Construction will be demolishing the State Route 88 Highway Bridge over Ten Mile Creek, main channel, river mile 0.06, in Millsboro, Pennsylvania.
2. The work is scheduled to begin on Monday September 12, 2011 and the approximate date of completion is September 23, 2011. The contractor plans to work ten hour days Monday through Thursday. Work schedule includes two blast dates. The first blast on Monday September 12, 2011, scheduled for 0900 hrs will be for bridge removal. Approximately one week later the second blast will remove the existing center pier.
3. Clearwater will be placing a crane on the left descending bank and right descending bank for bridge removal. An excavator will also be utilized for the removal of the pier.
4. Mariners should monitor radio frequency channels 13 & 16 while transiting in the vicinity of the construction site.
5. Navigators, Please note, all work will take place in Ten Mile Creek and will not affect navigational traffic on the Monongahela River. Recreational traffic should use caution in and around the area and follow all appropriate signage.
